

Embracing the waterless ethos of the orignal Green Machine, the Green

Machine Compact introduces a familiar approach, employing a harmless, watersoluble wax that is sprayed on and wiped off effortlessly
with a micro-fiber cloth.

The compact handheld design, is ideal for the tight spaces of a stocked showroom floor or any carwash, regardless of size or stage of establishment. The Green Machine Compact kit emerges as the ultimate car-washing companion, offering efficiency and effectiveness wherever it goes.
